October 2, 2020

Dear Booker T. Washington Families,

This is a very different and complicated school year for all of us. We appreciate parents for guiding children through ZOOM and Ready Rosie lesson and thank teachers for their thoroughness. Due to the uncertainty of COVID -19 and the responses from families Booker T. Washington Child Development Center, Inc. will continue distance learning through December 18, 2020.

The plan is for children to return to classrooms on January 4, 2021. Currently health & safety precautions are being developed for a safe return next year.

We ask that parents continue to be safe and follow health practices. We also encourage children and parents to get a flu shot as the flu season is approaching. Feel free to reach out to us at the above telephone number. Take Care and stay healthy.

In kindness,

Kim Sellers Pollins

Executive Director
